## BIOGRAPHY

---

Erin Pac's superior athletic talent and background brought her to the sport of bobsledding in 2002. Since joining the team, Pac has been recognized along with the U.S. Women's Bobsled Team by the USOC as the recipient of the Team of the Month award for January 2005. She recently learned to drive during the 2005-06 season and quickly made her World Cup debut as a driver one year later during the 2006-07 season. Pac received a bachelors of science in rehabilitation and disabilities studies with a concentration in rehabilitation counseling from Springfield College. While attending Springfield, Pac ran track and field.
