BIOGRAPHY

Competing in his fourth season for the U.S. Bobsled team, Stephan Bosch raced in three World Cup events during the 2006-07 season, finishing twenty-fourth in two-man and twenty-first in four-man. Prior to competing for the U.S., Bosch was a part of the German bobsled team. His experience includes: five-time national champion (1991-93, 1995-96), 34 total medals on Europa Cup, 25 of them gold, and three-time junior world champion in four-man (1992, 1995-96) and Junior World Champion in two-man (1996). Bosch graduated from college in Germany in 1999 with a degree in hotel management. While attending college, he was a member of the track and field team. Bosch served in the German military's sports company from 1989-1998.
